

42L Compact Display Refrigerator

This display refrigerator is suitable for showcasing wine, drinks, and food in various settings such as stores, shops, and show stands. Its compact design makes it ideal for locations where space is limited.

Overview

Compact Cooling Solution

The SC42L is a versatile 42-liter display refrigerator designed for optimal visibility of beverages and snacks. Featuring a clear glass door and internal LED lighting, it enhances product presentation in environments where space is at a premium. Its adjustable shelving provides flexible storage options, making it an ideal choice for both commercial and professional settings.
