

43cc Backpack Brush Cutter with Anti-Vibration

This backpack brush cutter features a primer bulb for easy starting and an effective anti-vibration system. It has a combination throttle/switch structure and auto feed nylon head with both nylon head and metal blade.

Overview

Professional Backpack Brush Cutter

This 43cc backpack brush cutter is a robust and comfortable solution designed for managing large areas of tough grass and dense vegetation. Its ergonomic backpack design significantly reduces operator fatigue during extended use, while the straight shaft and solid drive system ensure reliable performance. Ideal for professional landscaping, it offers high torque and precise control for demanding outdoor tasks.

Key Performance Metrics

Engine Displacement

43 cc

Displacement

Engine & Power

Performance Features

- High torque delivery
- Reliable performance
- Adjustable throttle control
- Convenient stop switch

Engine Type

2-stroke engine

Design & Ergonomics

Shaft Configuration

- Straight shaft
- Solid drive shaft
- Flexible shaft for hard-to-reach areas
