## Product Overview

### Professional-Grade Versatility

This 43cc gasoline brush cutter is engineered for demanding landscaping tasks, offering a robust solution for mowing, brush clearing, and harvesting. With a professional-grade gearbox and a highly wear-resistant trimmer head, it delivers consistent performance and durability. Its design focuses on efficiency, featuring a 30% reduction in fuel consumption compared to standard models, ensuring longer operation times with greater power.

## Technical Specifications

### Power Output

**1.4 kW**  
Power

**1.9 hp**  
Power

Engine Displacement 43 cc

Weight 8.4 kg

## Features & Performance

### Key Features

- Automatic line cutting device
- Professional-grade gearbox
- Wear-resistant trimmer head
- 30% reduced fuel consumption

Applications Mowing, Brush Cutting, Harvesting

## Safety & Ergonomics
