

45cc Gasoline Powered Chainsaw

This 45cc chainsaw is designed for both professional and domestic use. Its high-performance engine delivers ample power, while safety features include a chain brake and throttle lock.

Product Overview

High-Performance 45cc Gasoline Chainsaw

This 45cc gasoline-powered chainsaw is engineered for versatility and reliability, making it an excellent choice for both professional and domestic cutting tasks. Designed with efficiency in mind, the unit is lightweight and fuel-efficient, ideal for pruning and cutting bamboo. It features an advanced anti-vibration system using wire springs and high-strength rubber to ensure operator comfort during extended use.

Technical Specifications

Engine Displacement

45 cc

Displacement

Guide Bar Length

- 15 inches
- 16 inches
- 17 inches
- 18 inches

Features & Benefits

Anti-Vibration System

Wire Spring • Shock-Absorbing Rubber

Performance Highlights

- Lightweight design for easy handling
- Fuel-efficient engine operation
- Enhanced operator comfort via shock absorption

Ideal Applications

Bamboo Cutting, Pruning, General Maintenance
