

48-Inch Industrial Ceiling Fan with Pull Chain

This industrial ceiling fan is designed for large spaces and features three aerodynamically optimized blades. It has a durable metal motor housing and a pull chain for speed control.

Product Overview

Industrial-Grade Airflow Solution

This 48-inch industrial ceiling fan is engineered for durability and efficient air circulation in demanding environments. Featuring a robust polished brass motor housing and three aerodynamically optimized blades, it provides reliable performance for workshops, warehouses, and large residential spaces. The simple pull-chain control ensures straightforward operation without the need for complex wiring.

Technical Specifications

Model Number	K48001
Fan Size	48 inch
Number of Blades	3

Design & Aesthetics

Motor Finish	Polished Brass
Lighting	No

Operation & Control

Control Method	Pull Chain
