

# 500 ft. Sisal Twine Ball

This is a 500 ft. ball of natural sisal twine. The biodegradable fiber is strong and suitable for various applications like packaging, crafting, and gardening.

## ADDITIONAL IMAGES

## Product Overview

### Natural Sisal Twine Solution

This 500-foot sisal twine ball offers a reliable, biodegradable solution for a wide range of household, gardening, and industrial applications. Crafted from high-quality natural sisal fibers, it is designed to hold knots securely while providing excellent strength and durability. Its tightly wound spherical shape ensures easy dispensing and prevents tangling, making it a practical choice for both professional and DIY projects.

## Technical Specifications

### Sustainability

Biodegradable • Eco-friendly

<b>Total Length</b>	500 ft
<b>Material Composition</b>	Natural Sisal Fiber

## Features & Benefits

### Product Features

- Excellent knot retention
- Tightly wound for easy dispensing
- High tensile strength
- Suitable for indoor and outdoor use

## Applications

<b>Primary Applications</b>	Packaging, Gardening, Crafting, Landscaping, General Tying
