

500cc All-Terrain Vehicle

This all-terrain vehicle has a 500cc engine. It features a camouflage pattern, a robust front bumper, cargo racks and aggressive tires.

Overview

Rugged 500cc All-Terrain Vehicle

This 500cc all-terrain vehicle is engineered for both utility and recreational performance, featuring a reliable 4-stroke, water-cooled engine. With selectable 2WD/4WD capabilities and a locking differential, it provides superior traction and control across diverse landscapes. Its robust design, including dual A-arm suspension and disc brakes, ensures durability and safety for demanding off-road tasks.
