

# 500W Impact Drill with 13mm Chuck

This impact drill is designed for a variety of drilling tasks. It features a 500W motor and a 13mm chuck, making it suitable for drilling into wood, metal, and masonry.

## Product Overview

### Professional Impact Drill

This 500W impact drill is engineered for versatility and reliability in demanding drilling applications. Featuring a 13mm chuck capacity and a variable speed range up to 2600 RPM, it is well-suited for drilling into wood, metal, and masonry. The integrated impact function significantly enhances performance when working with harder materials, making it an essential tool for professional construction and maintenance tasks.

## Technical Specifications

### Input Power

**500 W**

Power Rating

Max Drilling Diameter	13 mm
No Load Speed	0-2600 RPM
Impact Frequency	0-40000 Min-1

## Logistics & Packaging

### Shipping Details

Metric	Value
Case Quantity	10 PCS
Gross Weight	23 Kgs
Net Weight	21 Kgs
Packing Dimensions	46x37x30 cm
20' Container Capacity	5500 PCS
