Product Overview

High-Performance Cylinder Assembly

This complete top-end rebuild kit is precision-engineered for 50cc to 70cc 2-stroke engines. Designed for optimal durability and power output, the assembly includes all essential hardware for a seamless installation. Compatible with widely used 1E40QMB and 1PE40QMB engine series, it serves as a reliable solution for maintenance and performance upgrades.

Technical Specifications

50cc/90cc 2T Jog
1E40QMB / 1PE40QMB

High Quality Parts & Kits by Nihao Motor

Complete cylinder assembly kit with precision-engineered components for 1E40QMB engines.

Piston Bore Size

- 39
- 47

Piston Pin Diameter

- 10
- 12

Engine Displacement Class

50cc • 70cc

Engine Type Compatibility

1E40QMB, 1PE40QMB

Kit Contents

50cc/90cc 2T Jog
1E40QMB / 1PE40QMB

High Quality Parts & Kits by Nihao Motor

All-in-one cylinder and piston set for 50/70cc 2-stroke rebuilds.

Assembly Parts List

- Cylinder Block
- Piston
- Piston Rings
- Piston Pin
- Gaskets
- Circlips
