

50cc All-Terrain Vehicle

This compact all-terrain vehicle has four wheels and is suitable for recreational use. It features a small headlight, air-cooled engine, and a red and black color scheme.

Overview

Compact Off-Road Performance

This 50cc all-terrain vehicle is engineered for recreational use, featuring a reliable 4-stroke air-cooled engine. With its compact dimensions and agile suspension, it provides a stable and fun riding experience for junior riders. The semi-automatic transmission and electric start system ensure user-friendly operation on a variety of terrains.
