

51.2cc Earth Auger Drill

This 51.2cc earth auger is a powerful tool for digging holes in various soil types. It features a durable steel auger bit and an ergonomic handle for comfortable operation.

Product Overview

High-Performance Earth Auger

The 51.2cc Earth Auger is a powerful and efficient tool designed for digging holes in various soil types. Equipped with a robust engine, it delivers ample power for drilling through tough ground, making it ideal for fence installations, tree planting, and other outdoor projects. Its ergonomic handle design ensures comfortable operation and reduces fatigue during extended use.

Technical Specifications

Engine Displacement	51.2 cc
Power Output	1400 W
Fuel Tank Capacity	0.85 L
Fuel/Oil Ratio	40:1

Key Features

Construction Material

Durable Steel Bit • Ergonomic Handles

Ideal Applications

Fence Installation, Tree Planting, Soil Drilling
