

52-Inch Brushed Nickel Ceiling Fan with Light Kit

This 52-inch ceiling fan features a brushed nickel finish and five reversible blades. It includes three integrated lights with clear hammered glass shades and is designed for indoor use.

Product Overview

Stylish Comfort for Your Space

This 52-inch ceiling fan combines a sleek brushed nickel finish with five reversible blades, offering both wood and silver aesthetic options to match your decor. Designed for indoor use, it effectively serves medium to large-sized rooms by providing both ambient lighting and reliable air circulation. The integrated light kit features three clear hammered glass shades, ensuring a sophisticated look while maintaining energy efficiency.
