

52-Inch Ceiling Fan with Light Kit

This 52-inch ceiling fan provides customized airflow with multiple speed settings. It features five intricately designed blades with a wood grain finish, a decorative light kit, and operates quietly.

Product Overview

Elegant 52-Inch Ceiling Fan

This sophisticated 52-inch ceiling fan combines aesthetic appeal with functional design, making it an excellent choice for indoor spaces. Featuring a polished brass-tone motor housing and five intricately crafted blades with wood grain and rattan-style inserts, it adds a touch of classic elegance to any room. The integrated light kit with frosted glass shades provides soft, ambient illumination while the quiet motor ensures optimal comfort.
