

52-Inch Ceiling Fan with Palm Leaf Blades and Light

This 52-inch ceiling fan provides both illumination and air circulation. It features four palm leaf-shaped blades and an integrated light with a frosted white glass shade.

Product Overview

Coastal Elegance and Functionality

This 52-inch decorative ceiling fan combines tropical aesthetics with reliable air circulation. Featuring four distinct palm leaf-shaped blades, it adds a touch of natural charm to living rooms, bedrooms, or covered patio spaces. The unit includes an integrated light fixture with a frosted glass shade to provide soft, diffused illumination.
