

52-Inch Indoor Ceiling Fan with Light Kit

This 52-inch ceiling fan provides both cooling and illumination for indoor spaces. It features five blades with a wood grain finish and an integrated lighting fixture with three cylindrical glass shades.

Product Overview

Elegant Comfort for Indoor Spaces

This 52-inch indoor ceiling fan combines functional cooling with ambient lighting, making it an ideal choice for bedrooms, living rooms, and dining areas. Featuring a sophisticated wood grain finish on its five blades and a durable dark bronze motor housing, this unit seamlessly blends traditional and contemporary design elements. The integrated three-light fixture provides versatile illumination, while the reversible motor ensures year-round comfort by optimizing air circulation.
