Product Overview

High-Performance 52cc Gasoline Chainsaw

This 52cc gasoline chainsaw is engineered for efficient wood cutting in both professional forestry and demanding home garden applications. It features a digital ignition system for stable performance and a design focused on low vibration and excellent lubrication to ensure operator comfort. With a robust engine life of up to 200 hours, this machine provides a reliable and durable solution for felling trees, pruning branches, and preparing firewood.

Engine Performance

Engine Performance Metrics

49.8 cc

Displacement

2 kW

Rated Power

11000 rpm

Max Speed

Engine Type	2-stroke, air-forced cooled
Ignition System	CDI (Digital Type)
Carburetor	Diaphragm type

Cutting Specifications

Chain Specifications

Feature	Options
Chain Pitch	0.325" or 3/8"
Gauge	0.050G / 0.058G

Available Bar Lengths 16", 18", 20", 22"

Physical Capacities

Fuel Tank Capacity	520 ml
Oil Tank Capacity	260 ml
Dry Weight	5 kg

Key Features

Operational Advantages

- Excellent lubrication system
- Low vibration design
- Engine life of 150-200 hours
- High consistency performance
- Optional Es-Starter, Fuel Primer, and Anti-freeze

Logistics & Packaging

Container Loading Quantities

Container Type	Quantity (PCS/CTNS)
20FT	704
40GP	1472
40HQ	1656

Packing Method Each machine packed into a color carton
