

52cc Gasoline Powered Chainsaw

This 52cc chainsaw features a durable cutting bar and chain for efficient woodcutting. Its powerful 2-stroke gasoline engine ensures reliable operation for felling trees, pruning branches, and general landscaping.

Product Overview

High-Performance 52cc Chainsaw

This 52cc gasoline-powered chainsaw is engineered for efficient woodcutting, making it an excellent choice for felling trees, pruning branches, and general landscaping tasks. It features a robust 2-stroke, air-cooled engine designed for reliability and an extended operational lifespan. Built with a durable cutting bar and chain, this tool combines power with essential safety features, including a chain brake and an anti-vibration system for enhanced user comfort.

Technical Specifications

Engine Displacement	52 cc
Engine Type	2-stroke, Air-cooled
