

## 52cc Petrol Chainsaw with Oregon Chain

This petrol chainsaw is engineered for demanding cutting tasks, delivering reliable power and performance. Equipped with a robust 52cc engine and Oregon Pro-Am .325" chain, this chainsaw provides ample torque for tackling tough wood and dense vegetation.

### Overview

#### High-Performance 52cc Petrol Chainsaw

This 52cc petrol chainsaw is engineered for demanding cutting tasks, delivering reliable power and consistent performance. Featuring an 18-inch guide bar and a professional-grade Oregon chain, it provides the torque and precision necessary for tackling tough wood and dense vegetation. Designed with an ergonomic focus for operator comfort, this tool is an ideal solution for both professional forestry work and heavy-duty domestic landscaping.

### Engine Specifications

#### Power Rating

**2.1 kW**

Power

**7500 rpm**
