

52L Beverage Display Refrigerator

This display refrigerator is designed to showcase beverages like wine, beer, and soft drinks in commercial environments. Its compact size makes it suitable for stores, shops, and show stands.

Overview

Compact Beverage Display Solution

The 52L Beverage Display Refrigerator, model SC52, provides an efficient and compact solution for showcasing beverages. Designed with a transparent door for high visibility and adjustable shelving, it ensures optimal product presentation. The system utilizes compressor-based cooling to maintain precise temperatures between 0°C and 10°C, making it an ideal choice for both home and commercial environments.
