

## 54CC Gasoline Chainsaw for Wood Cutting

This 54CC gasoline chainsaw is designed for garden and wood cutting tasks. It features a robust engine for efficient cutting performance and durable construction for long-lasting use.

### ADDITIONAL IMAGES

### Product Overview

### Professional Wood Cutting Solution

This 54cc gasoline-powered chainsaw is engineered for high performance in both professional and home-use environments. It features a digital-type ignition system for enhanced stability and an anti-vibration design that ensures comfort during long working sessions. With high engine consistency and a robust build, this machine provides reliable power for felling trees, pruning, and firewood preparation.

## Technical Specifications

### Performance Metrics

**54 cc**

Displacement

**2.2 kW**

Rated Power

**11000 rpm**

Max Speed

**5.1 kg**

Dry Weight

### Engine Details

Component	Specification
Engine Type	2-stroke, air-forced cooled
Ignition System	Digital/CDI
Carburetor	Diaphragm type
Idle Speed	3300 ± 400 rpm

## Cutting Configuration

### Available Cutting Options

- Bar Lengths: 16", 18", 20", 22", 24"
- Chain Pitch: .325" or 3/8"
- Gauge: 0.050" or 0.058"

## Operational Features

### Optional Features

Easy Starter, Fuel Primer, Anti-freeze

## Logistics
