Overview

Versatile Dual-Zone Cooling

This 55L portable car fridge freezer is a high-performance refrigeration solution designed for professional and recreational vehicle use. Featuring independent dual-zone temperature control, it allows for simultaneous cooling and deep-freezing down to -20°C . Built for durability and mobility, it operates on both AC and DC power, making it an essential companion for long-haul transport, camping, and outdoor activities.

Performance & Cooling

Precise Temperature Control

FRESH YOUR FOOD AND DRINKS EVERYWHERE

Control Temperature Down to -20°C >>>>

Independent temperature settings allow for optimal storage of everything from frozen meats to delicate skincare products.

Temperature Range

-20 °C

Minimum Temp

20 °C

Maximum Temp

Recommended Storage Temperatures

Item Type	Target Temp
Ice Cream	-15°C
Fresh Meat	-10°C
Chinese Tea	0~5°C
Drinks	2~5°C
Vegetables	4~6°C
Skin Care	10°C

Cooling Technology

Compressor cooling system for efficient and reliable performance

Operating Noise

35 dB

Capacity & Dimensions

Storage Estimates

- Approximately 60 cans
- Approximately 36 water bottles
- Approximately 18 wine bottles

Dimensions & Weight

Metric	Value
Product Size	752 * 410 * 533 mm
Packing Size	712 * 432 * 575 mm
Net Weight	15.8 kg
Gross Weight	17.0 kg

Total Volume

55 L

Electrical & Power

Power Input	DC 12V, DC 24V, AC 110-240V
Power Consumption	45 W
Battery Protection System	Yes

Design & Features

Mobility Features

- Robust integrated handle
- Heavy-duty transport wheels
- Dual-zone independent control

User Interface

Digital control panel with temperature display

Compliance & Quality

Quality Standards

CE • SGS • RoHS • ISO 9001 • LVD
