

56-Inch Industrial Ceiling Fan

This 56-inch industrial ceiling fan is designed for efficient air circulation in large spaces. It features a robust motor that delivers powerful performance and durable blades for long-lasting use.

Overview

Industrial Air Circulation Solution

This 56-inch industrial ceiling fan is engineered for high-performance air circulation in large-scale environments. Constructed with a robust combination of iron and plastic, it offers both durability and reliable operation for commercial or industrial settings. Designed for energy efficiency, it serves as a cost-effective alternative to traditional air conditioning systems.

Technical Specifications

Color

White

Model Number

CFN56D-3M(F)

Fan Size

1400 mm

Materials

Iron, Plastic

Logistics

Place of Origin

Guangdong, China
