

56-Inch Industrial Ceiling Fan

This 56-inch industrial ceiling fan is designed for large-scale ventilation. It features balanced blades and a powerful motor to ensure efficient air circulation in industrial and commercial spaces.

Product Overview

Industrial Ceiling Fan

This 56-inch industrial ceiling fan is a robust and efficient ventilation solution engineered for demanding commercial and industrial environments. Featuring a durable iron and plastic construction, it is designed to provide optimal air circulation in large open spaces such as warehouses, factories, and workshops. With its balanced three-blade design, the unit ensures smooth, quiet operation and straightforward installation.

Technical Specifications

Size	1400 mm
Product Code	CFN56E-3M(F)
Model Number	CFN56-3M(F)

Construction & Design

Materials	Iron, Plastic
Color	White

Logistics

Place of Origin	Guangdong, China
Place of Shipment	Guangdong, China
