

56-Inch Industrial Ceiling Fan

This 56-inch industrial ceiling fan is engineered for efficient air circulation in expansive spaces. It features balanced blades to deliver powerful cooling and ventilation, ensuring smooth and quiet operation.

Overview

Industrial Air Circulation Solution

This 56-inch industrial ceiling fan is engineered for high-performance air circulation in large-scale environments such as warehouses and factories. Built with a durable iron and plastic construction, it ensures reliability and long-lasting operation. The design focuses on providing powerful cooling and ventilation to maintain optimal comfort and productivity in demanding workspaces.

Technical Specifications

Finish Color

White

Model Number

CFN56A-3M(F)

Fan Size

1400 mm

Construction Materials

Iron, Plastic

Logistics

Origin

Guangdong, China
