Overview

Reliable Power Generation

This 5kW diesel generator set provides a robust and efficient solution for various power requirements, from construction sites to backup power needs. Engineered for durability and consistent performance, it features a reliable diesel engine and a user-friendly control panel. Designed with portability in mind, the unit includes wheels and handles for easy transport across different job sites.

Technical Specifications

Rated Power

5 kW

Rated Power

AC Output Options	220V, 230V, 380V
DC Output	12V 8.3A
Frequency	50 Hz

Features & Safety

Safety Systems

- Oil Alert Lamp
- Low Oil Warning
- Automatic Shutdown
- Circuit Breaker

Control Panel Components

Voltmeter • Starter Switch • Circuit Breaker • Oil Alert Lamp

Design & Portability

Portability

Yes
