

5MP 2K 4-Channel POE IP Camera System

This POE IP camera system delivers Ultra HD 5MP resolution for clear video footage. The outdoor cameras have an IP66 rating, a 3.6mm lens, and infrared night vision up to 100ft.

ADDITIONAL IMAGES

System Overview

Advanced H.265+ compression reduces storage requirements by up to 90% while maintaining video quality.

Comprehensive Surveillance Solution

This 4-channel POE IP camera system delivers Ultra HD 5MP resolution for crystal-clear security monitoring. Designed for both residential and commercial applications, it utilizes Power over Ethernet (POE) technology to simplify installation by combining power and data transmission into a single cable. The system includes an NVR with intelligent motion detection and advanced H.265+ video compression to maximize storage efficiency.

Video Compression

H.265+ • H.265

Channel Count

4 channels

Camera Specifications

Night Vision

100 ft

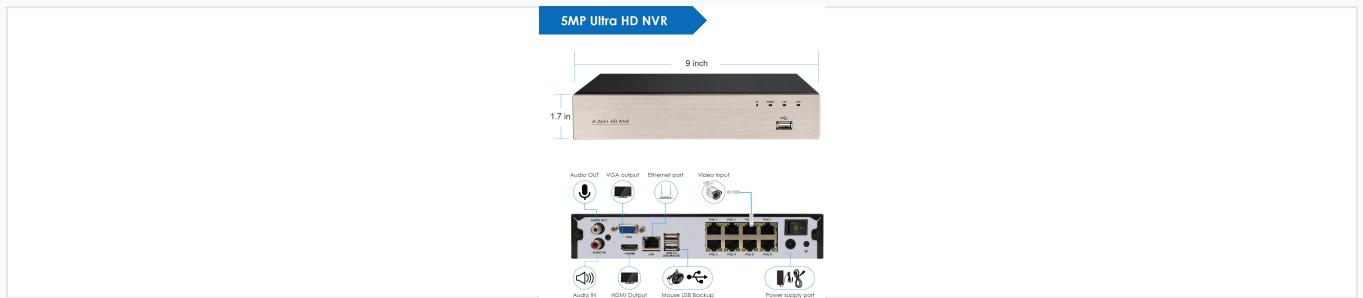

Range

36 pcs

IR LEDs

Resolution	5MP (2K)
Lens	3.6mm with IR Cut
Ingress Protection	IP66

NVR Specifications

The NVR features multiple POE ports, HDMI/VGA outputs, and USB backup capabilities for a streamlined setup.

Display Resolutions

- 2704 x 1950
- 1920 x 1080
- 1280 x 1024

Max Recording Resolution	5MP
Frame Rate	15 fps/channel
Video Output Ports	VGA, HDMI

Connectivity & Power

Power Requirements

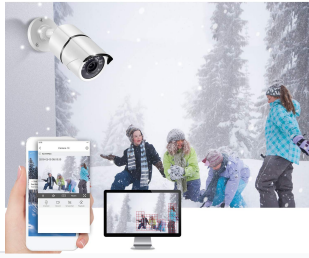

Device	Voltage/Current
NVR	48V / 1.3A
Cameras	12V / 500mA

POE Technology	Yes
