

6-Inch Long Nose Pliers with Rubber Grip

These 6-inch long nose pliers are designed for precision work. They feature a rubber-like grip for comfortable handling and are drop forged from high-quality carbon steel for strength.

Product Overview

Precision 6-Inch Long Nose Pliers

These 6-inch long nose pliers are engineered for durability and precision in professional applications. Featuring a robust drop-forged carbon steel construction, the tool is heat-treated to ensure long-lasting performance and strength. The ergonomic design includes a comfortable, rubber-like grip with a double-color handle, providing enhanced control and aesthetics for extended use.
