

# 600W Vacuum Cleaner with 0.5L Dust Capacity

This vacuum cleaner operates at 600W. It features a 0.5L dust cabin capacity and a 4.5m cord.

## Overview

### Efficient Cleaning Performance

The XC6005 vacuum cleaner is a powerful and compact solution designed for effective household cleaning. Featuring a 600W motor and a 15Kpa suction volume, it ensures thorough results while maintaining a low noise profile of 82dB. Its lightweight design and 0.5L capacity make it an ideal choice for versatile cleaning tasks in various environments.

## Technical Specifications

### Key Performance Metrics
