

60cm Kitchen Range Hood with Push Button Control

This 60cm range hood features a 3-speed push-button switch for easy operation. It offers both exhaust and recirculation modes and includes washable aluminum grease filters.

Overview

Efficient Kitchen Ventilation

The AH4860 kitchen range hood is designed to effectively remove smoke, grease, and odors, ensuring a cleaner and more comfortable cooking environment. Its slim, 60cm design integrates seamlessly into modern kitchens while providing powerful ventilation through dual motors. With customizable fan speeds and integrated lighting, this unit offers essential control for maintaining air quality and enhancing your cooking experience.
