Overview

Durable Lighting Solution

This 60cm LED waterproof fixture is engineered for reliable performance in demanding environments where moisture and dust protection are critical. Featuring high-efficiency SMD2835 LED technology, it delivers consistent illumination with a 120-degree beam angle. Its robust design makes it an ideal choice for garages, workshops, car washes, and other industrial or commercial spaces requiring weather-resistant lighting.

Technical Specifications

Power Options

- 12
- 24

Luminous Efficacy

100 lm/w

Efficacy

Input Voltage	AC220-240V, 50Hz
Power Factor	0.9
Beam Angle	120 °
Color Rendering Index (Ra)	80
Color Temperature Options	3000K, 4000K, 6500K

Compliance & Durability

Certifications

CE • GS • ROHS • ERP

Impact Protection

IK08

Driver Type

Non-isolated
