

60Hz Power Generation Diesel Generator

This 60Hz diesel generator provides reliable power for various applications. It features a robust enclosure for noise reduction and weather protection.

Product Overview

Reliable 60Hz Power Solution

This diesel generator is engineered to provide a stable and efficient power supply for industrial, commercial, and residential applications. Featuring a robust enclosure for noise reduction and weather protection, it is designed for durability in diverse environments. The system is optimized for easy maintenance and reliable long-term operation.

Performance Metrics

Frequency

60 Hz

Frequency

Engine Speed

1800 RPM

Technical Configuration

Electrical Configuration

- AC Power
- 3 Phase
- 4 Wires

Key Features

Noise Reduction, Weather Protection, Easy Maintenance, Stable Power Supply

Applications

Recommended Applications

Industrial • Commercial • Residential
