Product Overview

High-Performance Double Occupancy Earth Auger

This 63.3cc double occupancy earth auger is engineered for efficient hole digging in various ground conditions. Designed for versatility, it supports multiple drill diameters to accommodate tasks ranging from planting flowers and trees to fencing and general construction. Its robust engine and durable construction make it a reliable tool for professional landscaping and site preparation.

Engine & Performance

Maximum Power

2 kW

Max Power

7500 r/min

Rated Speed

Engine Model

1E48F

Engine Displacement

63.3 cc

Drilling Specifications

Supported Drill Diameters

- 80
- 100
- 120
- 150
- 200
- 250
- 300

Available Auger Lengths

- 800
- 950

Physical Characteristics

Packaging Dimensions

Component	Dimensions (mm)
Frame Box	670 x 360 x 440
Drill Box	210 x 210 x 940

Net Weight

10.4 kg

Compliance & Standards

Certifications

CE • EURO II • EPA
