

63.3cc Earth Auger with 300mm Drill Bit

This earth auger is a powerful and efficient tool designed for various drilling applications. It features a 1E48F matched engine with a discharging capacity of 63.3cc.

Product Overview

High-Efficiency Earth Auger

This 63.3cc Earth Auger is engineered for demanding applications in orchards and woodlands, offering a robust solution for professional landscaping and agricultural tasks. Designed for high efficiency and reliability, it balances significant power with low fuel consumption to ensure consistent performance. Equipped with a 300mm drill bit, it provides the necessary torque and capacity for effective soil penetration and hole drilling.

Technical Specifications

Rated Power

2.2 kw

Power Output

6500 r/min

Rated Speed

Engine Model	1E48F
Displacement	63.3 cc
Fuel Mixture Ratio	25:1

Dimensions & Weight

Machine Weight

Weight Type	Value
Net Weight	18.5 kg
Gross Weight	20.5 kg

Drill Bit Diameter	300 mm
