

6.5 HP Gasoline Power Tiller Cultivator

This gasoline-powered tiller is a versatile machine for soil cultivation and preparation. The 6.5hp engine provides ample power for tilling, cultivating, and plowing.

Overview

Professional Soil Cultivation

This 6.5 HP gasoline-powered tiller is a versatile agricultural machine engineered for efficient soil preparation and cultivation. Featuring a robust 4-stroke air-cooled engine, it delivers consistent power for tilling, plowing, and weed removal. Its compact walking tractor configuration ensures excellent maneuverability, making it an ideal solution for small to medium-sized farms and garden maintenance.

Engine & Performance

Maximum Output

6.5 hp
Power

3600 rpm
Speed

Engine Type	170F Gasoline, 4-stroke, Air cooling
Fuel Consumption	d0.395g/kw.h

Operational Specs

Tilling Width	1200 mm
Tilling Depth	300 mm
Gear Configuration	0, 1, 2 / -1, 0, 1

Logistics

Gross Weight	92 kg
Package Dimensions	900 x 750 x 785 mm
