

# 65 kVA Trailer Mounted Diesel Generator

This 65 kVA trailer-mounted generator delivers a reliable power solution for mobile applications. The generator features a durable enclosure for protection and is mounted on a heavy-duty trailer for easy transportation.

## ADDITIONAL IMAGES

## Overview

### Mobile Power Solution

This 65 kVA trailer-mounted diesel generator is engineered for versatility and reliability in demanding mobile environments. Designed for easy transport and rapid deployment, it provides a stable power source for construction sites, emergency backup, and outdoor events. The unit features a robust, weather-protected enclosure and is built with high-quality components to ensure consistent performance and operational safety.

## Performance Metrics

### Rated Output

**65 kVA**

Rated Output

### Operating Noise Level

65 dB

## Technical Specifications

Rated Frequency	50Hz, 60Hz
Cooling System	Closed water-cooled or air-cooled
Starting Method	Electric start or recoil start
Voltage Regulation	1.0% maximum in static conditions (AVR)
Protection Class	IP23

## Control & Monitoring

### Control Panel Features

- Standard engine instrumentation
- Voltmeter with selector switch
- Ammeter with selector switch
- Frequency meter
- Current transformers
- MCB with overload and short-circuit protection

## Certifications

### Certifications

ISO 9001 • ISO 14001 • CE • SASO • SONCAP • RETIE

## Logistics

Lead Time	25-45 working days
Available Colors	White, Blue, Red, Green, Yellow, Gray
