

6V Lantern Battery for Heavy-Duty Use

This is a 6V lantern battery designed for extra heavy-duty applications. The super quality battery offers best performance and high reliability and contains 0% mercury.

Product Overview

High-Performance Lantern Battery

This 6V lantern battery is engineered for extra heavy-duty applications, providing reliable power for demanding tasks. Designed for consistent performance, it features a mercury-free and cadmium-free composition, making it a responsible choice for professional use. Its robust construction ensures long-lasting reliability in various operational environments.

Technical Specifications

Voltage	6 V
Model Standard	4R25

Environmental & Safety

Safety Instructions

- Do not recharge
- Do not dispose of in fire
- Do not dispose of in water

Compliance & Safety	0% Mercury, 0% Cadmium, Extra Heavy Duty
