

7-inch Color Video Door Phone with Built-in Adapter

This 7-inch color video door phone features a built-in adapter. It supports unlocking, monitoring, and intercom functions, enhanced with night vision.

Product Overview

Professional Video Intercom System

This 7-inch color video door phone system offers a comprehensive security solution for residential or office entry management. It features a hands-free design with a hidden camera outdoor station that is both weather-proof and equipped with night vision for 24/7 monitoring. The system supports intercom, monitoring, and door release functions, providing a secure and convenient way to screen visitors.
