

7-Inch Rubber Roller Sleeve

This 7-inch rubber roller sleeve offers protection and insulation for components. Its flexible design ensures easy installation and a secure fit in electrical, automotive, and industrial applications.

Product Overview

Durable Rubber Roller Sleeve

The 7-Inch Rubber Roller Sleeve is a high-quality component designed for reliable performance in various industrial and mechanical applications. Constructed from durable rubber, this sleeve offers excellent resistance to abrasion and environmental factors, ensuring longevity in demanding work conditions. Its flexible design facilitates easy installation, providing a secure and consistent fit for your operational needs.

Technical Specifications

Item Code	RCD-0718
Length	7 inch
Material Type	Rubber

Logistics & Packaging

Pack Quantity	24 PCS
Gross Weight	5 KG
Net Weight	4 KG
Measurement	23 x 19 x 34 cm
40' FCL Capacity	46824 PCS
