

7-Way Trailer Cord

This 7-way trailer cord ensures a reliable electrical connection between a vehicle and trailer. Its heavy-duty construction includes color-coded wires for tail lights, brake lights, turn signals, and auxiliary power.

Product Overview

Heavy-Duty 7-Way Trailer Cord

This heavy-duty 7-way trailer cord is engineered to establish a reliable electrical connection between a vehicle and a trailer. Featuring seven color-coded wires, it ensures precise wiring for essential functions including tail lights, brake lights, turn signals, reverse lights, and auxiliary power. Its durable construction is specifically designed to resist abrasion and weather damage, making it an ideal solution for demanding outdoor environments.

Technical Specifications

Wiring Configuration

- Tail lights
- Brake lights
- Turn signals
- Reverse lights
- Auxiliary power

Plug Construction

Molded plug

Connector Compatibility

Standard 7-way RV blade

Durability Features

Weather-resistant, Abrasion-resistant, Weather-tight connection, Corrosion-resistant
