

700MB 52x Recordable CD-R Media

This recordable compact disc offers 700MB of storage with an 80-minute recording time. It supports a 52x write speed and comes in a silver finish.

Overview

Professional Grade CD-R Media

This high-quality CD-R media offers a reliable solution for one-time data storage, archiving, and digital content distribution. With a 700MB capacity and 80-minute audio length, it is fully compatible with standard CD-R drives and recorders. The write-once format ensures data integrity by preventing accidental overwrites, making it an ideal choice for secure archival purposes.
