

7.5-Meter Measuring Tape with Metric and Imperial Units

This measuring tape has a 7.5-meter reach and a 25mm wide blade. It features both metric and imperial units, a locking mechanism, and an automatic retraction system.

Product Overview

Professional Grade Measuring Tape

This 7.5-meter measuring tape is designed for reliability and precision in demanding environments. Featuring a durable ABS housing with a comfortable rubberized grip, it is built to withstand daily wear and tear. The blade is constructed from #50Mn steel with specialized heat treatment for increased longevity and resistance to bending.

Technical Specifications

Blade Length	7.5 m
Blade Width	25 mm
Blade Material	#50Mn Steel
Housing Material	ABS Plastic

Features

Key Features

- Heat-treated blade for durability
- Locking mechanism
- Automatic retraction system
- Rubberized grip

Measurement Systems	Metric, Imperial
Model Number	C48-7525
