Product Overview

Versatile 8-in-1 Connectivity

This high-performance 8-in-1 USB-C docking station is designed to provide comprehensive expansion for modern professional devices. It features robust Power Delivery fast charging, ultra-clear 4K video output, and high-speed data transfer through multiple USB 3.0 ports. Housed in a durable aluminium alloy casing, this compact hub ensures reliable heat dissipation and efficient connectivity for both desktop and mobile environments.

Technical Specifications

Item Number	ST803
HDMI Resolution	4K 30Hz
RJ45 Ethernet	10/100/1000M
Power Delivery Range	5V-20V / 1.5-4A

Physical Attributes

Colors

Black • Grey

Product Dimensions	120 x 70 x 19 mm
Net Weight	118 g
Cable Length	150 mm
Materials	Aluminium alloy, ABS
