

8.0 KG Twin Tub Washing Machine

This twin tub washing machine has an 8.0 KG capacity. It features separate tubs for washing and spin-drying.

Product Overview

Efficient Twin-Tub Design

This 8.0 KG twin-tub washing machine offers a practical and efficient solution for laundry needs. Designed with separate tubs for washing and spin-drying, it allows for simultaneous operations to save time. Its compact build makes it an excellent choice for smaller spaces while maintaining a robust 8.0 kg washing capacity.
