

800cc All-Terrain Vehicle with Cargo Bed

This all-terrain vehicle is designed for off-road adventures and various utility tasks. It features a rear cargo bed for hauling equipment and supplies, ensuring exceptional performance and reliability.

Overview

Rugged Performance for Utility and Adventure

This 800cc all-terrain vehicle is engineered for demanding off-road environments, combining a powerful 3-cylinder engine with a versatile CVT transmission. Designed with utility in mind, it features a rear cargo bed suitable for hauling equipment across challenging terrain. With selectable 2WD/4WD capabilities and a locking differential, this vehicle offers the reliability and control required for professional or recreational use.
