Product Overview

High-Efficiency Cordless Mowing

This 80V lithium-ion cordless lawn mower is designed for powerful and efficient grass maintenance without the constraints of gasoline or power cords. It features a highly efficient brushless motor and an easy-start switch with an electronic brake for safety and convenience. With adjustable cutting heights and a clear battery LED indicator, this mower offers a user-friendly experience for maintaining small to medium-sized lawns.

Technical Specifications

Operating Voltage	80 V
Cutting Width	20 inches
Adjustable Cutting Heights	5
Motor Type	Brushless
Power Source	Li-ion Battery

Compliance & Standards

Certifications	CE, GS, ETL, ROHS, FCC, BQB
----------------	-----------------------------

Features

Key Features

- Brushless motor for long-lasting power
- Easy start switch
- Electronic brake system
