

84V Brushless Motor Pressure Washer and Deck Lawn Mower Combo

This versatile combo features both a pressure washer and a deck lawn mower, powered by an 84V brushless motor. It delivers exceptional cleaning and cutting performance for a variety of outdoor tasks.

Product Overview

High-Performance Cleaning and Maintenance

This versatile 84V brushless motor system combines a powerful pressure washer with deck lawn mower capabilities, designed for efficient outdoor maintenance. Featuring an 1800W brushless motor, the unit delivers consistent power and reliability for demanding tasks. The integrated water tank and multi-function spray head provide flexibility, making it an essential tool for professional-grade cleaning and lawn care.

Technical Specifications

Motor Power	1800 W
Motor Type	Brushless
Maximum Pressure	1350 PSI
Water Flow Rate	5 L/min

Power System

System Voltage	80 V
Compatible Battery Capacities	2.5Ah, 5Ah, 10Ah

Features

Key Features

- Integrated water tank
- Multi-function spray head
- Brushless motor technology
- Versatile outdoor combo system
