Overview

Premium 85-Inch 4K UHD Smart Display

This 85-inch 4K Ultra High Definition television delivers an immersive viewing experience with advanced DLED (Direct LED) backlighting for superior contrast and vibrant color reproduction. Engineered for versatility, it is fully compatible with both SKD (Semi-Knocked Down) and CKD (Completely Knocked Down) assembly configurations, making it an ideal choice for regional assembly partners. Integrating seamlessly into modern digital smart home ecosystems, this display combines high-resolution clarity with essential connectivity features.
