

8x4 Flatbed Tow Truck Wrecker with Wheel Lift

This 8x4 flatbed tow truck wrecker is equipped with a wheel lift. It is designed for recovering damaged vehicles or transporting them to a repair shop.

ADDITIONAL IMAGES

Product Overview

Equipped with a recovery crane and wheel lift for professional roadside assistance and emergency services.

Heavy-Duty Recovery & Transport Solution

This 8x4 flatbed tow truck is a versatile recovery vehicle designed to move disabled, improperly parked, or emergency vehicles with ease. Featuring a robust wheel lift system and a high-capacity flatbed, it provides professional-grade performance for logistics and breakdown services. The heavy-duty chassis and multi-axle configuration ensure maximum stability and load-bearing capacity for demanding recovery operations.

Engine & Performance

Engine Specifications

120 hp

Engine Power

371 hp

Max Engine Power

Engine Model

CY4102BZLQ

Transmission & Chassis

Features a durable suspension system and reinforced chassis for reliable performance in demanding environments.

Transmission	WLY6T46, 6-speed manual control gearbox
Axle Configuration	8x4 (Four axles, eight wheels)

Load Capacity

Robust 8x4 configuration designed for high payload capacity and efficient transportation of heavy goods.

Large-capacity cargo bed suitable for construction, mining, and heavy-load logistics.

Axle Load Ratings

Axle Position	Capacity (KGS)
Front Axle	2400
Rear Axle	7200

Wheels & Tires

Tire Specification	7.50R16
--------------------	---------

Safety & Cab Features

Cabin Amenities

- Air conditioning
- Adjustable seats
- Multimedia system
- Enhanced driver visibility

Safety Features	ABS, EBS, Airbags
-----------------	-------------------

Application & Versatility

A diverse collection of specialized vehicles including wrecker trucks, dump trucks, and tank trucks designed for industrial applications.

Primary Applications

- Roadside assistance and vehicle recovery
- Transporting disabled or improperly parked vehicles
- Construction and logistics support
- Heavy-duty cargo transport
