

9-Inch Abrasive Cutting Disc for Stone

Abrasive cutting disc designed for cutting stone. It has dimensions of 230 x 6 x 22.2 mm (9" x 1/4" x 7/8") and a maximum operating speed of 6600 RPM, 80 m/s.

Product Overview

Professional Stone Cutting Performance

This 9-inch abrasive cutting disc is engineered specifically for efficient stone cutting applications. Designed to withstand rigorous use, it features a robust construction that meets international safety standards. With a maximum operating speed of 6600 RPM, it provides the reliability and precision required for professional masonry and construction projects.
