

9-Inch Diamond Saw Blade for Stone and Tile

This diamond saw blade is suitable for cutting stone, ceramic tile, and concrete. It has a 230mm diameter and is designed for professional use.

Product Overview

Professional Diamond Saw Blade

This 9-inch diamond saw blade is engineered for precision cutting of stone and tile materials in professional environments. Designed for high-performance applications, it supports rotational speeds up to 6600 RPM and linear speeds of 80 m/s. Its robust construction ensures reliable results for demanding masonry and tiling projects.

Technical Specifications

Maximum Rotational Speed

6600 1/min
Max RPM

Diameter	230 mm
Maximum Linear Speed	80 m/s

Certifications & Standards

Compliance Certifications	ISO 9002, ISO 14001, MPA 90504, MPA 90505
